The Club will take every care with the children and their property. But please note that the Club cannot accept any liability whatsoever in respect of loss or damage to property. May we suggest that watches or other valuable items are not brought to training or matches? All clothing should be named.

Please note that if you intend to allow your child to make their own way home or to be collected by some person other than a parent or guardian, the Club requires confirmation of this. The team manager should be notified of the adult's name.

**The registration fee for the season is £12** and match fees are £2. Training fees may vary depending on venue. Fees are charged to cover the cost of pitch hire, insurance, referees and training of managers and coaches. Players will not be allowed to train or play in matches until registration is complete.

The Club secretary will keep a confidential register of all children's and adult's details as required by the FA (Please note – only parents of registered players can vote at the AGM).

**Central FC now have a Club Website and would like to place team pictures and action shots names as and fixtures with goalscorers, forthcoming events and general Club business on the Web page. Football Matches take place in open, public spaces. Consequently opposition team supporters and other members of the public could well take their own photographs which may then include images of our members. Whilst permission from the Central managers, to take photographs which may include images of our players has to be sought, we can not guarantee this. Where permission is not given to allow your Child's name or image to be given, Central Managers will ensure to the best of their ability, that these details are not made available.**

If you **Do Not** want your child's image or name to appear please sign here .....

I understand that my child may be asked to play away matches I give permission for my child to travel to and from matches (notice of which will be given to parents) in the cars of managers, coaches or other helpers.

I accept that coaches may exclude from training/matches any child whose behaviour falls below the standard expected by the Club. In particular, aggressive behaviour or swearing will not be tolerated.

I have read the Central FC Health and Safety information and agree to abide by it (see attached)
